The Cruze debuted last year as an all-new model and has gone on to be both a sales and critical success. The reasons are multifold, but the bottom line is that the Cruze is simply a quality car. It looks sharp inside and out. Attention to detail is apparent the first time you close the door and notice it shuts with a solid thunk. The feature content is up to date with options such as hard-drive-based navigation and keyless ignition/entry. Chevy's come a long way since the Cobalt. AUTO GALLERY SUBARU is
