The 2014 Subaru XV Crosstrek is a chiseled urban dirt runner based on the steady Impreza platform. The formula will probably seem familiar. Americans like crossovers, so an automaker takes one of its core car models, raises the suspension and adds some body cladding. Subaru has done this successfully with its Outback series, so it's no surprise that the 2014 Subaru XV Crosstrek is built using the same formula. The Crosstrek is essentially an Impreza hatchback with additional wheel travel
