A vehicular jack-of-all-trades, the 2014 GMC Acadia can handle it all. GMC's family hauler is ideal for transporting your big brood to the lake or hauling a full load of provisions away from your local big box store. Large crossovers are good like that, combining much of the passenger- and cargo-hauling abilities of a minivan with the rugged good looks and (when equipped with all-wheel drive) the foul-weather capability of a traditional SUV. In this highly competitive segment, the Acadia
