The luxurious QX80 packs plenty of muscle behind its sinister mien. With a 400-horsepower 5.6-liter V8 at your beck and call, authoritative acceleration and relaxed towing ability (up to 8,500 pounds worth) come easy. A little-known fact is that this Infiniti is based on the legendary Nissan Patrol, a rugged SUV that's seen duty on tough terrain around the world, so there's a respectable amount of off-road capability baked in, too.
