Once a staple of the new-car market, the traditional midsize SUV has become something of an endangered species in recent years. But the 2016 Jeep Grand Cherokee is quite alive, thank you very much, and in fact forges ahead with one of the best all-around skill sets you'll find for the money. Starting with rear-wheel drive, just like SUVs in the old days, the Grand Cherokee offers no fewer than three four-wheel-drive systems, and it's every bit a Jeep on tough trails when properly equipped.
