if you're in the market for a traditional compact car with the stable traction provided by all-wheel drive, you can end your search with the 2017 Subaru Impreza. It's the only car in its class to offer it. But you don't need to live in a climate with a lot of rain or snow to appreciate the Impreza. Redesigned just last year, the current-generation model's build quality and technology interface are vastly superior to its predecessor's. Compared to other models in this class, the Impreza is a standout for its stellar
