The Accent still has a handsome shape in its corner. We're more fond of the hatchback's upswept rear end; the sedan looks like most very small sedans, like it's putting too much into too small a shape. The Accent's interior is simply and effectively styled, with nothing out of the ordinary and with streamlined controls and low-gloss plastics. The Accent accelerates, steers, and handles in an adequate, predictable way. Performance is lackluster with the automatic, but the Accent's direct-injection 1.6-liter
