The 2018 Jaguar XF is a midsize luxury vehicle that is a refreshingly different option among the popular and ubiquitous German staples of the class. The XF S is the top-of-the-line model. It pulls in standard features from the Prestige and R-Sport trims and includes 18-way adjustable sport seats in the front, an adaptive dynamics suspension system, 20-inch wheels, red brake calipers, and unique interior and exterior finishes. This is the only sedan trim that comes with the 380-horsepower supercharged V6
