2018 Kia Sorento SX Turbo | HEATED SEATS | HEATED STEERING WHEEL |

The 2018 Kia Sorento is a mid-size crossover that hasn't changed for the past couple years. We don't mind: its compelling value, powertrains, and warranty don't get old for us. We have a lot of good things to say about the 2018 Kia Sorento, which is how we arrive at a 7.5 overall score. (Read more about how we rate cars.) No matter which 2018 Kia Sorento you choose---L, LX, EX, SX, or SXL---Kia's biggest crossover has a generically handsome silhouette that weaves itself right into the big
