With a carlike ride and lighter construction (which allows for downsized, more fuel-efficient engines), large crossovers have largely supplanted traditional sport-utility vehicles. It was only natural that GMC – then known for its pickups and truck-based SUVs – was swept up in the craze just over a decade ago. The 2018 Acadia is the newest version of GMC's first car-based utility vehicle. AUTO GALLERY SUBARU is located in Regina Saskatchewan. Our team is committed to providing you excellent
