In the heavy-duty pickup segment, buyers are known for their loyalty to their chosen truck brand. That said, the all-new 2019 Ford F-350 might be enough to cause some pickup owners to switch allegiances. That's because the full-size F-350, along with the other two trucks that make up the Super Duty lineup has been thoroughly redesigned from the wheels up. Upgrades include a beefed-up frame, gutsier engines, more spacious cabins and a wide range of convenience and technology
