- Cruise Control
- Passenger Airbag
- Stability Control
- Cloth Interior

For 2019, the Elantra gets a significant new exterior look, with a reshaped hood, front end, fenders, rear bumper, and even a new wheel design. Interior changes are less drastic, but they include a revised center console with new controls, vents, storage tray and updated gauges. These changes come after a complete redesign two years earlier, an indication of just how quickly the compact sedan class evolves. AUTO GALLERY SUBARU is located in Regina Saskatchewan. Our team is committed to
