2020 Kia Sportage LX | AWD | BACK UP CAMERA | HEATED SEATS

The Sportage is smaller than most in the class, but its passenger seating is just as roomy as you'll find in competitors. That means the space savings has to come from behind the second row, where the Sportage supplies about one-third less cargo space than its most spacious rivals. We also aren't impressed by the Sportage's middling fuel economy ratings. However, its lower purchase price helps even things out, and you won't be turned off by the cargo area unless you typically load your car to the
