- Adaptive Cruise Control

The 2020 Toyota Corolla gets a full redesign that makes it more competitive against some very strong rivals. This time around, the Corolla sheds a lot of the uninspired personality and lackluster materials that held back previous generations. It now looks a lot sharper, and the interior exceeds expectations for the class. AUTO GALLERY SUBARU is located in Regina Saskatchewan. Our team is committed to providing you excellent customer satisfaction whether you are interested in an award winning

This vehicle as shown

\$22,995
