The Palisade is powered by a 3.8-litre V6 engine that produces 291 horsepower and 262 lb-ft. of torque. Power delivery is linear and silky smooth, and we appreciate the quiet engine operation with very little unwanted vibration transmitted to the cabin. The eight-speed automatic transmission brings power to all four wheels seamlessly, even though we are not fans of the push button shifter and its shift-by-wire system for its minor delay in response. In terms of fuel efficiency, Hyundai
